IDIOM FOR EVERYBODY

Cele:

- zachęcenie uczniów do wyszukania idiomu, oraz zilustrowania go
- Wymiana prac pomiędzy szkołami
- Poznanie idiomów, poszerzenie wiedzy o języku angielskim
- Współpraca ze szkołami z innych krajów

Realizacja

- Uczniowie chętnie włączyli się w projekt. Zarówno uczniowie klas młodszych jak i starszych pracowali nad wyszukiwaniem oraz ilustrowaniem idiomów. Starsi uczniowie przygotowali krótkie teksty o Wrocławiu i wybranych krajach.
- Niestety pandemia uniemożliwiła wymianę prac w formie tradycyjnej. Zastąpiliśmy to jednak wymiana elektroniczną i pracą na platformie etwinning.

O Wrocławiu: (informacje przygotowane przez uczniów SP 99)

Wrocław Multimedia Fountain

Wrocław is a beautiful city in the south- west Poland. There are a lot of interesting places, buildings, monuments and a beautiful market place. In my opinion the most interesting attraction is the Multimedia Fountain. It is near the ZOO and the Centennial Hall. Every year a lot of tourists come to see amazing shows and it's also popular among residents of Wrocław. The Multimedia Fountain plays shows every hour each day. Shows consist of classical music, water and lights. The best view is in the night because it looks spectacular. Few times a year there are special show. They have a theme which is based on films, historical events, or theatrical performances. During that shows there are a lot of people from the whole country. You have to arrive earlier if you want to see everything. The entrance is free.
